REWARDS CATALOG

REWARDS

The SPS Rewards program includes products carefully selected to offer discounts on quality products in key categories.

How it works

Save an additional 3%, 5%, or 7% on Rewards products ordered online.

40K+

Rewards products
available

Look for the Rewards Ribbons
listed on products online

Note - The Rewards program is designed to be a supplemental discount incentive that does not affect your current discount agreement. Discounts are only valid on orders placed on spsc.com. The Rewards discount is applied to your discounted price, not list price.

TRI-AXIAL terrain™

STAYING GROUNDED

**SERVICE-FREE
SOLUTION**

**LOW PROFILE
HIGH ACTIVITY**

**THREE PLANES OF
MOVEMENT**

PDAC
APPROVED!
L5981, L5986

The waterproof Terrain foot was created to achieve anatomical ankle motion and energy return in a low profile. College Park uses its tri-axial technology expertise in a new way. With a versatile and service-free design, the Terrain features a carbon fiber base and permanent bumpers inside the ankle housing for a progressive, comfortable response during low to high impact activities.

Newport® Hip Orthoses

REWARDS PRODUCTS FROM ORTHOMERICA!

Orthomerica's Newport Hip Management Systems are designed and engineered to provide the most comfortable hip orthosis for your patients. Innovative new options increase function and control.

Newport® 3 HIP SYSTEM

The **Newport 3 Hip Orthosis** has been the industry standard for over twenty years. Innovations like the patented clamping disks, allowing precise contouring of the pelvic section and the Universal Virtual Joint, which provides unprecedented strength in a small component, have made the Newport Hip Orthosis the most popular choice for physicians, orthotists, and patients, worldwide.

Newport® 4 HIP SYSTEM

The **Newport 4 Hip Orthoses** is the next generation of post-operative hip management systems—designed and engineered to provide the most comfortable hip orthosis for your patients. Innovative new options increase function and control including adjustable clamping disk design.

Key indications

- Post-operative hip revision patients
- Primary arthroplasty patients at risk to dislocate
- Inoperable hip patients at risk
- Patients needing stability after dislocation
